

St Paul the Apostle Catholic Primary School Doreen

“Embracing Opportunities”

“I think therefore I am.”

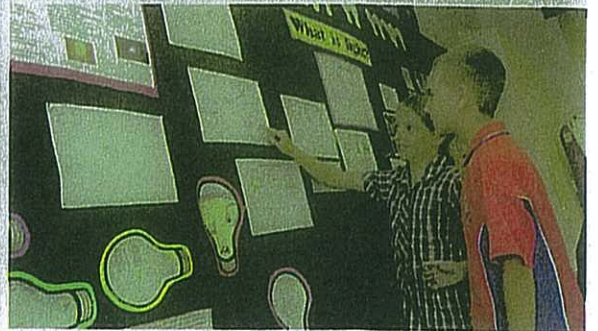

(Rene Descartes - French Philosopher 1596-1650)

“Our thinking culture allows us to get deeper into our thinking, not just on the surface. Everyone gets passionate about our learning, we all have this “it” factor that inspires us to be better.” (Year Five student)

“I used to just look on the surface, here I am challenged to go beyond.”

(Year six student)

“We are a collective family and we collaborate, so we can branch off other people’s ideas.” (Year Five student)
