

Enrolment Process (Modified for 2020 due to COVID19)

- Families are requested to visit: www.spadoreen.catholic.edu.au to explore our school website and to access the [Enrolment Information link](#) on the [Home Page](#).
- Families are invited to fill-in and return the Enrolment form with copies of relevant documents - originals must be sighted by the school office after the COVID19 restrictions have been eased.
- In the near future we will be launching [a virtual school tour](#) to provide you with a deeper insight into and an understanding of our unique contemporary learning culture, based on the Cultures of Thinking through a Christian perspective.
- Families will also have the option to arrange for a school tour and to attend a re-scheduled Enrolment Information Night once COVID19 restrictions have been eased.
- COVID19 provides prospective families with a timely opportunity for you to access our [Home Learning Portal](#) where you will be able to gain an insight into our arrangements in the provision of rich learning opportunities to support Remote Schooling at home.
- When the Enrolment Form is returned to the school office, [new families](#) will be contacted for an [online interview](#) at a mutually convenient time (via zoom, facetime etc.,). The first part of the chat will allow parents to articulate their reasons for choosing to educate their child in a Catholic school. [This will then conclude the enrolment process.](#)
- NB: Baptised Catholic children and children from Catholic families residing in the Doreen catchment area will be automatically accepted but an interview is still required. Families from other faith denominations will be notified at the conclusion of their interview.
